BREAK

Primary Care Investment Workshop

Proudly Sponsored by FMAHealth and NexJ Health

Friday, November 9, 2018

8:00AM – 2:30 PM

Capital Hilton, 1001 16th St NW, Washington, DC 20036

- 11:15 AM** **Learning from Key Stakeholders: Advancing Efforts to Increase Investment in Primary Care** (*Moderator: Louise Cohen, PCDC*)
- **Consumer representative** (*Danielle Garrett, Community Catalyst*)
 - **Employer representative** (*Michael Thompson, National Alliance of Healthcare Purchaser Coalitions*)
 - **Payer representative** (*Frank Bordonaro, Anthem*)
 - **Federal policy** (*Mark Miller, Arnold Foundation, Formerly MedPAC*)
 - **Primary Care Clinician** (*Glen Stream, FMA Health*)

12:15 PM **Pick up LUNCH (& proceed to breakout groups)**

- 12:40 PM** **Building an Action Plan to Increase Primary Care Investment: Discussion Groups**
Break out by assigned groups
- Identify at least one state that could achieve legislative or executive action to measure, report, & increase primary care investment by 2020
 - Identify top 2-3 actions that should be taken over next 6, 12, and 24 months, and key partners to work with to accomplish those actions (e.g., consumers, payers, employers, clinicians, etc.), as well as issues where participants could use help of other stakeholders to overcome obstacles

1:45 PM **Report Out by Group (3-5' each)**

2:15 PM **Final Reflections & Closing**
(*Ann Greiner, PCPCC*)

2:30 PM **Adjourn**

Please note that all meeting materials and additional background information on the issue of increasing primary care investment can be found on the PCPCC webpage:
